

CANCER SCREENING IN GREY-BRUCE

You can book your own cancer screening. You don't need a family doctor or nurse practitioner, and **screening is free**. If there is a concern, a Cancer Care Ontario provider will help with next steps. Not sure if you're due? **Call Health811 at 8-1-1.**

Colorectal Cancer Screening (Ages 45–74)

- This test is recommended every 2 years. You can get a free FIT kit sent to your home.
- Call Health811: 8-1-1
 - TTY: **1-866-797-0007**

Breast Cancer Screening (Ages 40–74)

- A mammogram is recommended every 2 years.
- Open to women, Two Spirit people, transgender people, and nonbinary people.
- Call: **1-800-668-9304**
- Local sites: Owen Sound, Kincardine, Walkerton, Hanover.
 - Wait times are 0–8 weeks. Hanover currently has no wait list.

Cervical Cancer Screening (Ages 25–69)

- Previously called a pap test. Recommended every 3–5 years for anyone with a cervix.
