

Nurse Practitioner – Holyrood Health Clinic Holyrood, Ontario (South Bruce County)

Wage: \$85/hour

Hours: 10 hours per week (flexible, with opportunity for additional hours)

Position: Permanent, Part-Time

About Holyrood Health Clinic

Holyrood Health Clinic is a grassroots private primary care clinic serving the Mennonite and Amish communities of Holyrood, Ontario. Located in scenic South Bruce County between Wingham, Kincardine, and Walkerton, the clinic has provided comprehensive cradle-to-grave primary care since 2016.

The clinic is owned and governed by the local community through a nominated board of directors. As an independent private clinic, we are not funded by government agencies, and our patients do not access care through OHIP. This unique model allows us to provide flexible, community-focused care while respecting the professional boundaries and scope of our healthcare providers.

About the Role

We are seeking a compassionate and confident Nurse Practitioner who is comfortable providing autonomous primary care with physician support available off-site as needed.

This position offers a unique opportunity to build strong clinical skills while caring for a close-knit community with distinctive cultural values. You will have the opportunity to develop long-term relationships with patients and provide meaningful, comprehensive care across all stages of life.

Responsibilities

- Provide comprehensive primary care for patients of all ages.
- Perform health assessments, diagnose and manage acute and chronic illnesses.
- Order and interpret appropriate diagnostic tests.
- Prescribe medications and treatments within your scope of practice.
- Deliver preventive care, health promotion, and patient education.
- Maintain accurate medical documentation.
- Collaborate with off-site physician support and other healthcare professionals as required.

Qualifications

- Current registration as a Nurse Practitioner with the College of Nurses of Ontario.
- Excellent clinical assessment and decision-making skills.
- Ability to work independently while recognizing when consultation is appropriate.
- Strong communication and relationship-building skills.
- Previous primary care experience is an asset but not required.

What We Offer

- Competitive wage of **\$85/hour**
- Flexible scheduling
- Permanent part-time employment
- A supportive, community-based practice environment
- Meaningful relationships with patients and families

- A unique opportunity to practice medicine in a culturally rich and rewarding setting
- **Option to combine this role with a local private pharmacy clinic** to create a larger part-time or full-time position for the right candidate.

If you are looking for a rewarding primary care role where you can practice autonomously, build lasting patient relationships, and make a meaningful impact in a unique rural community, we would love to hear from you.
