Session # 2: Grey Bruce Health System Overview

The Grey Bruce Ontario Health Team (OHT) Planning Committee will be hosting a Community Information Session on Wednesday September 29th at 7pm. This is the second session in a series of community information sessions designed to provide an overview of the health system in Grey Bruce.

The first session in the series was held on June 29th, 2021 highlighting home and community care support services, long-term care, and hospital sectors in Grey Bruce.

The second session in the series, will take place on September 29th, and will provide an overview of primary care, mental health and addictions, and community support services in Grey and Bruce.

The Grey Bruce OHT Planning Committee Community Information Session is open to everyone in the community and will be held on September 29th 7:00-8:30pm. Further details about the session can be found at the Grey Bruce OHT website: <https://www.greybruceoht.ca>

Session # 1: Follow-up

Thank you to all who attended the first session in the series. There was great participation and questions throughout the session.

In follow-up to a question about how to access public reports on long-term care homes, please see the following link: <http://publicreporting.ltchomes.net/en-ca/default.aspx>
